Primeras ideas, bocetos que surgen y adquieren vida propia, que cambian y se adaptan a las reflexiones. Cálculos, pruebas, nace un prototipo, el germen de un nuevo diseño.

Preliminary outlines, sketches that arise and take on their own life, that change and adapt to later thoughts. Calculations, tests, a model, it is born the germ of a new design.

El modelo Bety está en el Museo de las Artes Decorativas de Barcelona. Le conceden el prestigioso premio GOOD DESIGN en 2008 por el diseño Gea y en 2009 por Fluo.

He is one of the founders and the core engine of the company bearing his name. Along his career he has been able to bring together hundreds of persons. His Bety lamp is shown at the Museum of Decorative Arts in Barcelona. In 2008 he won the prestigious "Good Design" award with the design Gea and, in 2009, with Fluo.

El Último Grito

Rosario Hurtado y Roberto Feo. Experimentales, rebeldes y vanguardistas pero también sensibles y cercanos. Esto es palpable tanto en sus productos como en las instalaciones y exposiciones que hacen alrededor del mundo. Han ganado, entre otros, el "Red Dot Award" 2006 y 2010 en Lighting Design

Rosario Hurtado and Roberto Feo. Experimental, vanguardist and rebels but also sensitive and nearby. This is evident in their products and facilities as making presentations around the world. They gained, among others, the Red Dot Award in 2006 and 2010 Lighting Design.

Martín Azúa

Pura sensibilidad y creatividad. Convierte a cada uno de sus diseños en una pieza especial y única. Cuenta con una amplia participación en espacios, proyectos y exposiciones. Piezas suyas están en el MOMA de NY y en el "Vitra Design Museum". Ganó el "Delta de Plata 2007".

Pure sensitivity and creativity. Converts in a special and unique piece each of his designs. Counts with an extensive participation in spaces, projects and exhibitions. His pieces are in the MOMA of NY and in the "Vitra Design Museum". He won the "Delta de Plata 2007" ("Silver Delta Award").

Matali Crasset

Polifacética, se reinventa cada vez, trabaja diseñando cosas muy pequeñas, muy grandes, realizando proyectos, creando espacios o publicaciones. Ha trabajado con gente tan diversa como Denis Santachiara o Philippe Starck. Ha expuesto entre otros en el Victoria et Albert Museum.

Versatile, she reinvents herself every time she works by designing little things, big things, carrying out projects, creating spaces or publications. She worked with such diverse people as Denis Santachiara or Philippe Starck. Among other exhibitions, she has exhibited at the Victoria & Albert Museum.

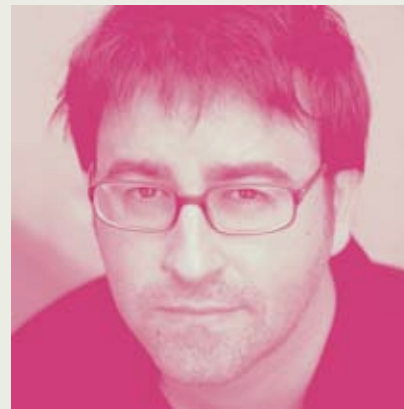

Bertjam Pot

“Me fascinan los procesos de producción y las materias primas. Todo se hace partiendo de unas materiales. Casi todos los diseños surgen de la experimentación con materiales, nuevos y antiguos. Sentir un producto es tan importante como su apariencia”.

“My main fascination are materials and production processes. Everything is made out of raw materials. Almost all designs come from experimenting with materials, old and new. The way a product feels is just as important as the way it looks.”

Hector Serrano

Sus diseños rebozan frescura e innovación. Ha recibido varios premios como el “Premio nacional de Diseño. No aburridos” o el “Peugeot Design”. Sus creaciones pueden verse en el V&A de Londres o en el Central Museum of Amsterdam entre otros. Realiza eventos e instalaciones singulares a lo largo del mundo.

His designs spread freshness and innovation. He received several awards such as “Spanish Design Award. Not bored” or “Peugeot Design”. His creations can be admired at the V&A in London or at the Central Museum of Amsterdam. He organizes events and exceptional installations all over the world.

Christina Liljenberg

Christina Liljenberg trabaja en su estudio de Copenhague. Gran parte de su trabajo lo ha desarrollado en el sector del mueble. Participará en la exposición “Mindcraft”, que incluye productos de los mejores diseñadores daneses del momento. Ha sido premiada por la Fundación de Arte Danés.

Christina Liljenberg works from her Copenhagen based studio, mostly with furniture. She will take part of the exhibition “Mindcraft” which is showcasing products from the best current Danish designers. Her work has been awarded by the Danish Arts Foundation.

Proyectos de iluminación a medida

Tailor-made lighting projects

We customize and adapt all the designs of our catalogue and develop special models to offer a personal touch, different and unique to every project.

Personalizamos y adaptamos los diseños de catálogo y realizamos modelos especiales para ofrecer un toque personal, diferenciado y único a cada uno de los proyectos.

Los productos de este catálogo son reproducciones fotográficas impresas. Es posible que el color de las imágenes varíe ligeramente con respecto al color real.

Todas nuestras luminarias están hechas íntegramente a mano en España.

Las diferencias entre ellas y en los distintos materiales empleados convierten a cada lámpara en única. Pequeñas diferencias entre lámparas de una misma referencia no son un defecto, sino un valor, cada una es un objeto único.

Manteniendo las características básicas de los diseños, Arturo Alvarez se reserva el derecho a realizar las modificaciones que considere oportunas con el fin de mejorarlos.

Los componentes electrónicos ofrecen una garantía conforme a la legislación nacional aplicable (ej., 2 años en España).

Las medidas en pulgadas son aproximadas.

The products in this catalogue are printed photographic reproductions. The colour of the pictures may slightly differ from the real colour.

All our lamps are totally handmade in Spain.

The differences found in our luminaires and in the different materials used make them unique. Small differences between lamps are not a defect, it is a value because each one is a unique object.

While maintaining the basic characteristics of the product, Arturo Alvarez reserves the right to make any modifications at any time with the sole aim of improvement.

Electronic components have guarantee according to the national applicable regulations (e.g., 2 years in Spain).
